terms & conditions

A. Service

This Limited Service Agreement is intended to provide reasonable and affordable repair cost for the mechanical breakdown of covered Eligible Equipment in your home due to normal wear and tear. This Limited Service Agreement is not intended to replace responsibility for normal maintenance and minor repairs. This agreement does not cover everything and does not necessarily cover the entire cost of the repair. Please read the following carefully. This Limited Service Agreement describes what service is covered, what is not and how to obtain service. If you have any questions regarding what is covered under this Limited Service Agreement, or any other questions, call the toll-free number 1-800-775-4736. Subject to the limitations, terms and conditions, service applies only to the Eligible Equipment which:

- is located within the perimeter of the main foundation of the principal residence located at the address shown and the attached garage, except exterior well pump, air conditioner, septic system and pool and/or spa equipment, are covered only if such option is selected;
- has become inoperable due to normal wear and tear;
- is in place and in good and safe working order with no pre-existing defects at the beginning of the service period (Detectable pre-existing defects or deficiencies are not covered by this Limited Service Agreement. If on the effective date of this Limited Service Agreement, the defect or malfunction of the Eligible Equipment would not have been detectable by either visual inspection and/or simple mechanical test performed by a qualified service professional, the defect or malfunction will be serviced. For example, a simple test would be visual inspection of a heat exchanger for cracks or a carbon monoxide test);**
- is specified as "covered" under Eligible Equipment. If a system or item is not specified as "covered," then it is not eligible for service; and
- is owned or rented residential property under 5,000 square feet (for homes from 5,000 to 10,000 square feet additional premium is required) and not commercial property or residences being used for business purposes (Commercial or business purposes include, without limitation, bed and breakfasts, day care centers, group homes, fraternity/sorority houses, nursing/care homes, hair salons, churches and schools). Park model RVs, fifth wheels, motor homes, travel trailers and campers are not eligible for service.

B. Service Period

Seller coverage for the listing period begins immediately upon notification of enrollment and continues up to 180 days, until close of sale, or until listing is cancelled, whichever occurs first. Buyer coverage begins at the close of sale and continues for one year from that date. Payment is due at close of sale and must be received within ten working days after close of sale in order for service coverage to be in force.

C. Obtaining Service

- We will not pay for any services performed without our prior authorization.** Notice of the problem must be received by us during the service period.
- When service is needed, call 1-800-775-4736, 24 hours a day, seven days a week or file your claim online at www.hometrustedwarranty.com. We will contact an authorized independent service contractor within four hours during normal business hours and within 48 hours on weekends and holidays to assist in evaluating your problem. A reasonable effort will be made to expedite the service call in cases of emergency. We reserve the right to determine what constitutes an emergency. If you should request non-emergency service outside of normal business hours, you will be responsible for payment of additional fees including overtime.
- If we do not have an authorized service contractor in your area, we will ask that you call your preferred service contractor and request that they evaluate your problem and call us for prior authorization to perform service. Your service provider must be licensed and insured and call us for prior approval before performing any repairs or replacements.
- Once it is determined that service is covered, we will authorize repair or replacement of Eligible Equipment at our option.
- You are obligated to pay the trade fee or the actual cost to repair/replace, whichever is less, for each separate trade call. A trade call means each visit by an authorized service contractor for a single trade (plumbing, electrical, appliances, heating and air conditioning and pools/spas). Multiple visits required to remedy the same problem requires only one trade fee. Your payments must be made prior to completion. We will not respond to a new request for service when any previous trade fee is outstanding. Failure to pay the trade fee will result in suspension of service until such time as the proper fee is paid. At that time, service coverage will be reinstated, but the service period will not be extended. Additional work performed by the independent service contractor at your request will be at your sole cost and risk.
- An additional trade fee will be waived only when work performed should fail within a period of 30 days on labor and 90 days on parts.

D. Payment of Claims

- No claim forms are used, but we must give prior authorization of repairs or replacement before any work is performed.
- In instances where the cost of completing a full repair or replacement exceeds a stated contract dollar limit, we will pay an amount equal to the contract dollar limit in lieu of providing repair or replacement services. Some or all of such a payment may be made to you and/or a service contractor. In all other instances:
 - We reserve the right to provide cash in lieu of repair or replacement services in an amount based on what the ordinary customer would expect to pay after negotiating the best price for such services in your area and without the benefits of this contract when:
 - Following a response to a covered breakdown, the system or appliance would remain non-compliant with laws, regulations or code requirements;
 - The system or appliance is subject to a manufacturer's recall for a defect unrelated to the covered breakdown; or
 - (iii) A system becomes non-repairable and a replacement system is no longer available.
 - We may also offer you the option of accepting cash in lieu of repair or replacement services in an amount based on what we would ordinarily expect to pay for parts and labor for covered items, an amount that is usually less than retail cost or your actual cost. We are not obliged to extend such an offer in any particular instance, and you are under no obligation to accept such an offer, in the event one has been extended. Such offers are typically made subject to restrictions.

E. Limitations of Liability

- We reserve the right to determine whether Eligible Equipment or its components will be repaired or replaced. Replacement is based on "like-kind". For appliances and plumbing fixtures, this means we

will replace, when replacement is authorized, with equal or better quality equipment. For heating and air conditioning equipment, "like-kind" indicates equal energy efficiency rating. For air conditioning equipment, this is the SEER rating. Except for 13-SEER coverage, we are not responsible or liable to upgrade equipment, components, or parts due to: (a) the incompatibility of the existing equipment with the replacement system or appliance or component or any part thereof; (b) any type of chemical or material utilized to run the replacement equipment including, but not limited to, differences in technology, refrigeration requirements, or efficiency; or (c) mandates by federal, state, or local governments. Mismatched equipment is covered under the Buyer Platinum Plan.

- When replacement equipment of identical dimensions is not readily available, we are responsible for installation of like-quality equipment but not for the cost of construction or carpentry made necessary by different dimensions. We are not responsible for upgrades or matching color or brand.
- We will not correct to bring into compliance, nor pay for corrections for violations of any building, fire, zoning code; other violations of local ordinances or state and federal laws or regulations. We are not responsible for the verification and/or diagnostic testing of ductwork, the sealing of ductwork, and associated repair costs.
- We are not obligated to perform as agreed if required permits or approvals cannot be obtained. We are not liable for the costs of permits unless the buyer platinum plan is selected and we are liable only up to \$250 per occurrence.
- We are not liable for incidental, indirect, special, punitive or consequential damages or for bodily/personal injury or property damage.
- When it is necessary to open walls, floors, or ceilings to perform a covered service, we will restore surfaces to a rough finish only.
- We are not responsible for the repair of any cosmetic defects, smells, noises or for the cost of cleaning any parts or equipment.
- We are not liable for repair of conditions caused by misuse or abuse, missing parts, structural shifting, structural changes, fire, freezing, electrical failure, electrical surge, water damage, water failure, lighting, mud, earthquake, soil or foundation movement, storms, accidents, pest damage, mold, mildew, rot, fungus, war, terrorism, or acts of God.
- We are not liable for failure to provide timely service due to conditions beyond our control; including but not limited to, delays in obtaining parts, equipment, weather delays or labor difficulties.
- We will not undertake to remove any hazardous materials including asbestos; will not transport or store any hazardous materials; and will not undertake any repairs where there is environmental contamination or if such repairs would cause contamination. We are not liable for charges or fees to dispose of an appliance, system or component, including, but not limited to: condensing units, evaporator coils, compressors, capacitors, refrigerators, freezers, water heaters, and any system/appliance which contains dangerous or hazardous materials. Haul away fees are covered under the Buyer Platinum Plan.
- We are not liable for repairs related to adequacy or capacity; manufacturer's recall; improper design; improper previous repair; or problems caused by alterations or modifications. We are not responsible for items still under the manufacturer's warranty or improperly installed unless the Buyer Platinum Plan is selected.
- We are not responsible for repair or replacement of systems and appliances classified by the manufacturer as commercial. Heating and air conditioning systems over five tons are considered commercial.
- The maximum aggregate liability for all claims is \$25,000.00.
- We reserve the right to obtain an additional opinion at our expense.
- You are responsible for additional charges to remove or install non-related equipment in order to make repairs.
- You are responsible for cleaning and/or maintaining as specified by the equipment manufacturer.

F. Lease-option Homes

Service coverage for a home subject to lease-purchase agreements is available for the lessee only.

G. Condominiums and Multi-Family Units

- If service coverage is for a duplex, triplex or fourplex dwelling and every unit is covered, then service will be provided for common systems and appliances.
- Options available must be purchased for each unit.
- If service coverage is for a unit within a building of five or more units, then only systems and appliances specific only to the unit named will be covered. Common grounds and facilities are excluded.

H. Renewals and Transfer of Agreement

- This Limited Service Agreement may be renewed at our option and where permitted by state law. In that event, you will be notified of the terms, conditions and rate of the offer.
- If the covered home is sold during the term of this Service Agreement, you may transfer coverage by notifying us at 1-800-795-9595.

I. Cancellation or Termination

District of Columbia, Maryland, West Virginia, Pennsylvania, New Jersey, New York, Connecticut, Maine and Delaware residents: This agreement is noncancelable by us, except for:

- Fraud or material misrepresentation concerning any covered item or any other facts related to this Service Agreement.
- Nonpayment of fees.
- When the service period is during the listing period and close of sale does not occur or upon mutual agreement between you and us.
- If this Service Agreement is cancelled a pro rata refund of the purchase price of this Service Agreement will be refunded to the party purchasing the Agreement.
- MONEY BACK GUARANTEE:** If you are not satisfied within the first 30 days of the service period, you may request cancellation in writing, and we will return the full purchase price, less any repair cost incurred by us, to the party purchasing the Agreement.

J.State Disclosures

District of Columbia, Maryland, West Virginia, Pennsylvania, New Jersey, New York, Connecticut, Maine and Delaware residents: This Limited Service Agreement is administered by Home Buyers Resale Warranty Corporation.

K. Real and Personal Property

The price of the real property items and services is valued at 90% of the total contract price and the price of the personal property items and services is valued at 10% of the total contract price.
